13-1-55/E/18, Avanthinagar (East), PR Nagar HYDERABAD, TELANGANA 500018

Career Objective

To contribute as a UX/UI designer by creating user-centered and innovative digital experiences, while continuing to develop my design skills and knowledge in a dynamic environment.

Experience

Sep 2023 – Dec 2023: Business Development Executive Intern, ZynEvents

- Designed promotional materials and refined user experiences using Canva.
- Managed social media handles and created engaging Reels with copyright-free media.
- Collaborated with creative talents and conceptualized event engagements.
- Researched new virtual tools and applications, contributing to innovative event solutions.

June 2023 – Sep 2023: SMO Intern, My Equation

- Conducted market research to inform design and marketing strategies.
- Promoted company workshops, engaging with potential clients and tracking updates.
- Assisted in making sales calls and strategizing with team members to increase participation.
- Updated leads on workshop details, enhancing communication and user engagement.

Academic Qualifications

2021 – 2024:

BBA specialized in Information Technology with 9.10 CGPA from St. Joseph's Degree & PG College
